

## Wall Vent Covers

Wood

1. **a x b** is the size of the vent opening in the wall.
2. **C x D** is the vent cover section inside the wall. **C = a - 1/4"**. **D = b - 1/4"**.
3. **A x B** is the outer visible size of the vent cover. **A = a + 1"**; **B = b + 1"**.
4. Use separate order forms for different vent cover sizes.
