

# Vent Cover Routing Templates for all types of Sayer's vent covers

Inside measurements of the routing templates match the measurements of flooring cutouts made for flush mounted vent covers.

Routing templates are made of 12 mm or 18 mm (1/2" or 3/4") birch plywood.

Templates are available in 4 vent cover sizes and can also be custom made for any vent cover size.

Routing Templates	SKU to order	A,"	B,"	a,"	b,"
